MENA ELGALADY

UI/UX Design | Front-End Development | Figma | Web Design

menaelgalady99@gmail.com | LinkedIn | GitHub | Behance

PROFESSIONAL SUMMARY

Business Information Systems student and UI/UX designer who applies the full design process in Figma, from user research to prototyping. Front-end foundation in HTML5, CSS3, JavaScript and Bootstrap, plus academic training in SQL, Python, PHP and databases. Seeking a UI/UX design or front-end internship to build user-centered, responsive digital products.

EXPERIENCE

UI/UX Design Trainee
Xperience Academy **29 June 2026 – Present**

- Enrolled in a 3-month UI/UX course covering user research, user flows, wireframes, UI design and prototyping.
- Currently building the final course project end to end in Figma, applying the full design process.

Web Design Trainee
National Telecommunication Institute (NTI) **24 August 2025 – 18 September 2025**

- Completed a 4-week training program (120 hours: 90 technical and 30 freelancing): 3 weeks of hands-on front-end training and 1 week of professional soft skills.
- Built responsive layouts and modern UI components from visual designs and prototypes.
- Wrote clean, working code with HTML5, CSS3, JavaScript (ES6+) and Bootstrap.
- Practiced cross-browser compatibility, responsive typography and version control with Git and GitHub.

PROJECTS

Mini Electronics Store **HTML5, CSS3, JavaScript, Bootstrap**

- Responsive electronics store website built from visual designs and deployed on GitHub Pages. Live Demo
